Items produced and certified as 6061-T6511  
 also meet the requirements of 6061-T6

We hereby certify that the material covered by this report has been inspected in accordance with the most recent certification  
 revision, and has been found to meet the applicable requirements described herein, including any specifications forming a part of the  
 description, and that samples representative of the material met the composition limits and had the mechanical properties shown.  
 SCM extrusions are manufactured in the USA.
